

## Membership Registration

April 2008

<http://www.filesig.co.uk/>

### Introduction

This document explains how to register for full membership which includes access to the Online File Signature Database.

- General Membership is free and provides access to the member page and free downloads only.
- Full Membership provides access to the member page, free downloads and OFSDB.

### Subscription Based Service

The Online File Signature Database (OFSDB) operates a yearly subscription based service, subscriptions pay toward ongoing bespoke development and upkeep of the resource including administrative tasks and responsibilities. The subscription also covers the cost of hosting (which is minimal in comparison to development but a cost none the less).

Small companies and units are welcome to subscribe under a single company/unit name.

A subscription can be in the name of an individual or a company. Please note that companies with 10 or more practitioners will need to contact support prior to purchase, it is not acceptable for multiple users to share one account in this instance.

*Government organisations are welcome to sponsor this resource.*

For more information or assistance please contact: [info@filesig.co.uk](mailto:info@filesig.co.uk)

### Minimum Membership Requirements

- Minimum 1 year current experience as a forensic practitioner and/or data recovery technician
- No criminal record

This resource is open to all practitioners meeting the above criteria and is not restricted in any way. The information contained within the OFSDB is not secret however the information should be considered as CONFIDENTIAL and only to be distributed amongst other members of OFSDB.

### Registration Steps

1. Complete the Pre-Registration Form [www.filesig.co.uk/preregister/](http://www.filesig.co.uk/preregister/) - it is important that you complete this form as accurately as possible so as not to cause delay.
2. Once you have pre-registered you will receive an email confirming your details along with details how to proceed with the subscription (this can take up to 3 working days to process).
3. When the subscription process is complete you will receive your login username and password information.
